Why Join TxAVF?

TxAVF is a great avenue for sharing challenges each of us face and more importantly sharing the solutions that work. Because of this, facility managers can make better decisions.

Association Objectives & Purpose

- To learn other venue policies, strategies and services offered that may enhance your own operations.
- To provide education opportunities from industry professionals at bi-monthly meetings.
- To host a low cost Annual Conference in desirable locations where networking is encouraged, ideas are shared and new energy is found.
- To provide a forum for new, interesting and helpful products and services.

MEMBERSHIP BENEFITS

Bi-Monthly Meetings

Texas is a big state, but every January, March, May, July and September, members travel to a different facility where the host facility provides an industry speaker, complimentary lunch and full facility tour. These meetings also provide fantastic networking and idea sharing.
