

# Texas Association of Venues & Facilities Membership Information

[www.txavf.com](http://www.txavf.com)

Whether your venue has seating for 100, or a 200,000 square foot convention center, TxAVF provides resources to its members and the public to discover all the unique venues and facilities across the great state of Texas! Through TxAVF, our members can easily connect with others to share ideas, resources, and best practices. Members can grow their industry knowledge through educational meetings and networking. TxAVF is a great avenue for sharing challenges each of us face, and more importantly, sharing the solutions that work.

## Association Objectives & Purpose

- Learn other venue policies, strategies and services offered that may enhance your own operations.
- Gain education from industry professionals at bi-monthly hybrid meetings.
- Attend a low-cost Annual Conference in desirable locations where networking is encouraged, ideas are shared, and new energy is found.
- Participate in a digital forum of new, interesting, and helpful products and services.

## Membership Options

– **REGULAR MEMBERS: \$125**  
Convention, Civic, Conference, Theater, Recreation, Rodeo Arenas and Senior Centers.

**NEW MEMBERSHIP: \$150 (1st year only)**

– **REGULAR PLUS: \$150**

## Membership Benefits

### Online and In-Person Membership Interaction

Have a policy, rate or vendor question? Reach all TxAVF members with our digital forum questions. Using email, members can share policies, insights and experience. During our in-person meetings, you'll participate in roundtable discussions.

### Bi-monthly Educational Meetings – Hybrid Meetings

Texas is a big state. Every January, March, May, July and September, members travel to a different facility where the host facility provides an industry speaker, complimentary lunch and full facility tour. These meetings also provide fantastic networking and idea sharing whether you're in person or virtual.

### Annual Conference

Attendees can expect to hear speakers discussing topics relevant to members job functions, meet partners and vendors that will showcase relevant products, network with fellow TxAVF members, and tour facilities within the host city. The Annual Conference is a great way to expand knowledge within the industry by learning best practices from fellow members or speakers.

2021 Hybrid Conference will be in Fredericksburg on October 19-21.

### Exclusive Venue Tours

See other member facility amenities as well as backrooms and hallways to share ideas of organization, layouts and design.

In-Person Attendees at the  
2020 Annual Conference  
Bush Convention Center  
in Midland

### Pivoting in 2021

Meeting safely is key to rebuilding our industry. TxAVF In-Person Meetings will feature safety protocols and distancing, Hybrid Meetings will be offered for those that cannot travel, and Virtual Meetings will be held when necessary.
